

Empowering Communities for TB Advocacy: The TAG-ICW Model

Author: Treatment Action Group International Community of Women Living with HIV/AIDS

Publication Date: 2009

Format: Booklet

Physical Description: 27 p.: col., ill.; graph.

Language: English

Abstract:

This publication by the Treatment Action Group (TAG) and the International Community of Women Living with HIV/AIDS (ICW) provides lessons learned from two years of capacity building for HIV treatment activists. Policy makers, activists, and donors can integrate these lessons learned into their tuberculosis (TB) and TB/HIV activities advocacy work.
